

12. Rock 'n' rollercoaster

Words by Kathy and David Blackwell

Step aboard, get ready to rock, rollercoaster ride!

Step aboard, get ready to rock, we'll be side by side.

Step aboard the rollercoaster ride!

Up and down, we're feelin' dizzy on the rollercoaster ride,

Climbin' high we'll touch the sky, we're spinnin' so far from the ground.

Step aboard the rollercoaster ride!

Twist and turn, time to rock and roll, rollercoaster ride!

Dip and dive, time to rock and roll, rollercoaster ride!

Step aboard the rollercoaster ride!

Step aboard the rollercoaster ride!

Step aboard the roller coaster ride, it's rockin'!
